buses from Shirley every few minutes along Shirley High Street

Our City Red 3 and 8 buses stop close to the main entrance of Southampton General Hospital, handy whether you've got an appointment or visiting anyone.

easy to the hospital

an amble in Hamble

It's so easy to while away an hour or two in Hamble in its lovely riverside setting. Watch boats cruise along the river from one of the characterful pubs, restaurants or tearooms.

Take the pink Hamble Ferry over to Warsash for more pubs and tearooms, and for great walks along the riverbank.

Welcome to this guide to getting about Southampton using the

City Red bus network. It makes a lot of sense using the bus to get about, and it's certainly better for our great city - less congestion and better air quality for everyone, with fewer cars clogging up the city streets.

Our buses are smart and comfortable and all have free WiFi, so you can stay connected on the move.

Use tap on, tap off to always get the best value fare, using your contactless card or device.

lean clean green ultra low emission engines

We love our city and believe in doing all we can to keep the air we breathe as clean as possible. That's why all our buses in the city conform to the most stringent low-emission standards for buses (Euro 6).
