Want the easiest way to pay on the bus?

Choose **Tap On, Tap Off** instead of buying a Single, Day or Week adult ticket.

Tap On, Tap Off uses contactless payment to cap our adult bus fares so you'll never pay more than the Day ticket fare for each day you travel in your chosen zone, no matter how many journeys you make.

And the great news is, the more you travel across 7 days (from your first tap), the cheaper the days become. Plus your weekly spend is capped at our Week ticket fare, however much you travel!

There's no need to ask the driver for a ticket; just tap when you get on and off the bus and make sure you tap the same contactless card or device each time.

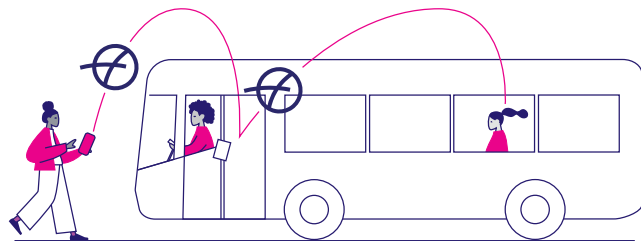

Tap On, Tap Off works with the following payment types...

No more paper tickets!

Just Tap On, Tap Off and go.

For more details on how it works, visit firstbus.co.uk/tapontapoff

We'll work out your fare based on how much you travel.

Each day, we'll add up the value of your trips...

	Bath	Bristol	Weston-super-Mare	West of England
1 trip	£2.40	£2.40	£2.40	Fares vary by distance. We will charge you the adult single fare as shown on pages 22-23, subject to the £7 day cap.
2 trips	£4.80	£4.80	£4.80	
3 or more trips	£6.50 Day Ticket	£6.50 Day Ticket	£5.00 Day Ticket	

and we'll cap your costs over the week...

	Bath	Bristol	Weston-super-Mare	West of England
1st day's travel	£6.50	£6.50	£5.00	£7.00
2nd day's travel	£13.00	£13.00	£10.00	£14.00
3rd day's travel	£17.90	£17.90	£13.80	£19.90
4th day's travel	£21.70	£21.70	£16.50	£24.40
5th day's travel	£23.30	£23.30	£18.00	£28.00
6th day's travel	£24.90	£24.90	£19.00	£29.00
7th day's travel	£26.50	£26.50	£20.00	£30.00

Capping week runs for 7 days from your first tap.

Ticket types

Single tickets

A flat fare structure is in place in the Bath, Bristol and Weston-super-Mare Zones.

This means that wherever you travel in that zone, the price of a single journey will be the same.

In the West of England Zone the cost of your single ticket is based on the distance you travel.

Your fare is determined by how many sections of route you travel through, as defined by the chart on page 23.

The Government's £3 single fare cap will be in place until 31 December 2025, meaning you'll pay a maximum of £3 for a single fare, with many costing less than £3.

Day & season tickets

If you're making several trips on a particular day or you're a regular traveller, our Day, Week, Month and Year tickets offer you great savings.

Just decide which area you want to travel in and how long you need your ticket to last. Then once you have your ticket you can make as many journeys as you like in your chosen period of time.

Our Day tickets are valid from 4.30am until 4.29am the following morning so are perfect for a day and night out!

Remember that Tap On, Tap Off will cap your fares without you needing to worry about which zones you use. See page 4.

Day Ticket Bundles

Our range of day ticket bundles are perfect if you want flexibility and value in your bus travel.

Just need three days' travel in a week or maybe you only use the bus Monday to Friday? However you travel, we've got the ticket to suit you!

Or for added flexibility, our day bundles on the First Bus app give you 3, 5, 6, 10, 12 or 20 days of travel that can be spread over longer periods.

Just activate each ticket in the app on the day you need it, making sure you use them all before your bundle expires.

Group ticket

With this unlimited day ticket up to five people of any age can travel together for the cost of just two adult tickets.

Tickets can be bought on the First Bus app or on the bus and as with all our day tickets, it is valid until 4.29am the following morning.

West of England Zone

How are West of England Zone single fares calculated?

Single fares in the West of England Zone are based on the distance you are travelling.

Distances are calculated using 'fare stage' sections rather than individual bus stops, with each section being approximately one mile long*.

If you travel up to 6 miles it'll be £2.40, and over 6 miles will be £3 which is the maximum single fare in line with the Government's £3 single fare cap.

Here is an example route and some of the adult fares along it:

Harry Stoke to Alveston, The Ship would cost £2.40 as this distance is under 6 miles.

Harry Stoke to Thornbury would cost £3 as this distance is over 6 miles.

*Sections are approximately one mile long as not all bus stops are exactly to the mile. Where a significant feature is on a route such as a row of shops we have tried to extend sections to include this within the mile section.

Customers boarding at bus stops that are in between fare stage change points are charged from the previous fare stage. Customers travelling to bus stops that are in between fare stage change points are charged to the next fare stage after their destination stop.

Key

- 1 Numbered sections
- Bold name stops - Section boundary stop (can be counted in either section)
- Non-bold names - All other bus stops
