

the only **1** for me!

Yes, it's a great new reliable way to whizz into Totton or the city centre, with our smart City Red buses running up to every 10 minutes and going the quickest way.

They also go right past the north entrance to Southampton Central Station for easy train connections near and far.

We've got a great team of local, friendly drivers to look after you - happy, smiling men and women who love making your journey smooth and comfortable.

You've got free Wifi on board to keep you connected on the move, while powering your trip into town are green low-emission engines that meet the latest incredibly stringent Euro 6 standards.
