EARLY TO LATE

from 28 November 2020

Fast trains can get you into Reading Station from all over the West Country and South Wales, then it's just a short coach connection direct to Heathrow Airport.

RailAir really is the best way to the airport. The coaches are smart, stylish and extremely comfortable. Sit back and relax into plush armchair seats and take advantage of the free Wi-Fi and at-seat USB charging. Some seats are set around tables, ideal for up to four travelling together.

There's plenty of room for all your luggage in the cavernous hold and there are additional racks inside above your seat. The driver can help you with any awkward items.

RailAir coaches drop you off right outside Terminal 5.
